Taylor Campbell 713-702-1380

TOURNAMENT PROCEEDS

Since awarding their first grants in 1982, the **Alzheimer's Association** has grown into the largest private, nonprofit funder of Alzheimer's research. Over the life of their grants program, they have awarded in excess of \$300 million to more than 2,500 projects.

Through the fundraising efforts of their donors the **Alliance for Lupus Research (ALR)** has become the largest private funder of lupus (an autoimmune disease which affects over 1.5 million individuals) research in the world. By year's end, they will have committed \$80 million to lupus research. They've made progress towards the goal of finding new treatments and, one day, a cure for lupus; but the ALR is not there yet.

All tournament proceeds will be split evenly between the Alzheimer's Association and the Alliance for Lupus Research unless otherwise noted on your sponsorship/entry fee.
